## OUR SAFARI GUIDELINES AND PROTOCOLS

---

1.

### FACE MASK WEARING

All Guests on Safari are required to have a mask on while on safari with Keshi Tours. We provide Masks that are approved by the government of Kenya. Ensure your Mask is On all times.

2.

### SOCIAL DISTANCING

We strictly follow the social distancing guidelines. We ensure each guests on safari is 1.5 meters apart. All accommodation we partner with, are all observing the same guidelines.

3.

### WASH HANDS REGULARY

Its recommended to wash your hand frequently with any detergent or soap. This helps in keeping your hands and your health safe especially if you have interacted with people, eg Dining Area

4.

### SANITIZING YOUR HANDS

Sanitisations will happen before boarding our jeeps, or any hotel or camp. It is therefore recommended to sanitise your hands when in public places and interacting with people. Eg Dining Area

5.

### FUMIGATION OF OUR 4X4 VEHICLES

Our Vehicles will be fumigated before and after safari. Door Handles will be sanitised, seats will be fumigated and our guests wont sit next to the Safari Guide while in the Vehicle
